BRACLI is sensuality, elegance and sophistication!

The original BRACLI thong was introduced to USA by Rebecca Apsan owner of the famous 'La Petite Coquette' boutique in New York, frequented by actresses, actors, models and singers such as Britney Spears, Salma Hayek, Angelica Houston, Cindy Crawford, Linda Evangelista, Naomi Campbell and Liza Minelli. This is how the original pearl thong was discovered by the show 'Sex and the City' and was featured in the 3rd episode of Season 5 of the show entitled 'Luck Be an Old Lady'. 'The right pleasure at the right spot' is how Rebecca defined this creation which is not exactly an erotic sex shop toy but a g-string defined as exotic jewelry. The brand is now recognized worldwide as 'The Original Pearl Thong' with a patented design
